In Progress

Step into a world where networking becomes an exciting journey. Winee3 brings together professionals and Web3 enthusiasts, moving beyond old-fashioned methods.

Engage, participate, and be rewarded.

Unique Benefit

Winee3 is a cutting-edge platform transforming professional networking and event management with AI-powered connections, seamless ticketing, and a rewarding experience.

Target Markets

Professionals, event organizers, attendees, corporate users, and Web3 Enthusiasts.

Status

Alpha testing in Feb 2024, Open Beta follows. Roadmap leading to full launch & TGE.

Traction

Growing community, 15K+ alpha registrations, strong demand. Self-funded: \$300K+, 1 year development.

Winee3 is not just an app; it's a movement towards a more interconnected and rewarding professional world.

Market Size & Scope

1 Billion

LinkedIn boasts 1 billion active users, including 175.5 million premium subscribers.

200 Million

Eventbrite ticketing for 4 million organizers and serves a user base of over 200 million.

60 Million

Meetup connects 60 million registered members through 330,000 groups worldwide.

13.9 Million

XING, primarily active in Europe, has 13.9 million users.

59 Million

Wallets hold \$1–1000, which could include dApp and DeFi users in Web3.

The gap between current platforms and the growing need for Web3 features shows a strong demand for Winee3. It's poised to meet this demand by embracing these changes and tackling them directly.

Market Opportunity

Winee3 targets a diverse audience, including tech professionals, event organizers, and Web3 enthusiasts across sectors like tech, finance, and entertainment, offering innovative networking and ticketing solutions.

Professional Networking

New-Gen professionals and Web3 enthusiasts seek a user-friendly, rewarding networking platform, diverging from traditional options like LinkedIn.

Event Management

With Web3 events scattered across platforms, accessibility is a challenge. Winee3 centralizes events, simplifying creation and ticketing for organizers

Web3 Integration

Rising demand for NFT, cryptocurrency, and Web3 platforms. Winee3 meets this need with real-world applications and rewards.

Winee3 is shaping the market by bridging traditional needs with futuristic tech, redefining professional networking and event management. Now's the time to seize this expansive opportunity.
